## **6 Principles**

6.1 The following principles are encompassed in this policy:

- All applicants will receive fair treatment.
- All applicant packs will include a job description detailing the post holders' responsibilities for safeguarding.

- Employees will be recruited on the knowledge, experience and skills needed for the job.
- Selection will be carried out by a panel with at least two members. At least one panel member will have received appropriate Safer Recruitment Training.
- Selection will be based on a minimum of completed application form, short listing and interview, but, whenever possible, involve other assessments.
- Posts will normally be advertised on our website and the advert will include reference to our commitment to safeguarding and promoting welfare of children and young people.

Recruitment and selection procedures will be reviewed on a regular basis to ensure that applicants are not discriminated against on the grounds of race, nationality, gender, religion, age, disability, marital status, sexual orientation.

## **8. Safer Recruitment – Recruitment and Selection Training**

8.1 It is a requirement that at least one member of the interview panel has completed approved Safer Recruitment Training prior to the start of the recruitment process.

## **9. Pre-recruitment Process**

### **9.1 Objective**

9.1.1 The objective of the recruitment process is to attract, select and retain staff who will successfully and positively contribute to the future development our service. The first experience an individual has is important; therefore, the experience should be positive and all those responsible for recruiting will:

- Leave a positive image with unsuccessful applicants.
- Give successful applicants a clear understanding of the post and what is expected of them.
- Take reasonable actions to reduce the risk of a bad selection decision recognising the potential cost and because of our commitment to safeguarding children and young people.

### **9.2 Application Form**

9.2.1 A standard application form will be used to obtain a common set of data from all applicants. The application form will be adapted for different posts but will always include key information on safeguarding. As such, candidates must provide information on employment history and if appropriate adequately explain the reasons for any gaps. The candidates must complete, sign and date the declaration and follow instructions regarding the appropriate disclosure of relevant criminal convictions.

### **9.3 Job Description and Person Specification**

9.3.1 A job description and where applicable a person specification will be issued for all posts. In the case of volunteers this will include a volunteer role profile. The job description/volunteer role profile will have a clear reference to an individual's responsibility to safeguard children and promote their welfare.

### **9.4 Criminal Self-Disclosure**

All short-listed candidates will be asked to complete a self-disclosure form with their invitation to interview,

### **9.5 References**

9.5.1 The purpose of seeking references is to obtain objective and information to support appointment decisions. Two references will always be requested directly from the referee using an appropriate form and one of these should be from their current employer if possible. One of them needs to be when they last worked with children and open references are not acceptable.

9.5.2 2 References will be sought on all short-listed candidates and will be obtained, where possible, before interview so that any issues or concerns they raise can be explored further with the referee, and/or taken up with the candidate at interview. One of these references must be from their current employer.

9.5.3 We will take reasonable steps to verify references received electronically by ensuring they are from a professional email.

## **10. Interviews**

10.1 The interview will assess the merits of each candidate for the post, including at least one question exploring their suitability to work with children and young people. The selection process for people who will work with children and young people will always include a face-to-face interview even if there is only one candidate.

### **10.2 Interview Panel**

10.2.1 A minimum of two interviewers will form the interviewing panel.

10.2.2 The members of the panel will:

- have the necessary authority to make decisions about appointments.
- be appropriately trained, (at least one member of interview panel will have undertaken Safer Recruitment Training).
- meet before the interviews to:
  - reach a consensus about the required standard for the job to which they are appointing.
  - consider the issues to be explored with each candidate and who on the panel will ask about each of those.

### **10.3 Scope of the Interview**

10.3.1 In addition to assessing and evaluating the applicant's suitability for the post, the interview panel will also explore:

- the candidate's attitude toward children and young people.
- his/her ability to support the provision's ethos for safeguarding and promoting the welfare of children.

- any gaps in the candidate's employment history.

Where information is unsatisfactory or there are discrepancies in the information provided this will be followed up.

The facts will be reported to the Local Authority Designated Officer (LADO).

## **14. Rehabilitation of Offenders exclusion**

All applicants to all of our vacancies will be asked to disclose their caution or conviction even if it is considered spent under the 1974 Act. The provision for this is set out in the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975, (the "Exceptions Order"). This is in recognition that there are certain activities for which fuller disclosure of a person's criminal record history is relevant, for example, working with children and other vulnerable groups, in vulnerable circumstances or some other particularly sensitive area of work.
